

Insurance options for plan members on termination of group benefits

Note to Group Benefits Administrator: Please complete and provide this notice of conversion privilege form to a plan member whose life and/or spouse's life insurance is reducing or terminating. (Does not apply to plan members who choose to cancel or reduce their coverage.)

Life insurance

Your group life insurance, up to the amount that is eligible to convert*, will continue, with no additional premium charge, for 31 days after the termination date shown in the chart below.

To ensure you are protected after that time, you have two options to continue your coverage with Sun Life without providing full medical evidence.

1. You may call the Customer Solutions Centre at 1-877-893-9893 and apply to continue your coverage in the same amount you had under your group plan. A representative will process your application and enrolment over the phone.
2. Call the Customer Solutions Centre at 1-877-893-9893 and request to be connected with a Sun Life advisor who will provide you with a full financial consultation, free of charge, and walk you through the conversion process to an individual policy.

There are a number of rules and conditions that apply to these options including the maximum amount that can be converted.

You must contact Sun Life Financial within 31 days of the termination date. Be sure to contact Sun Life as soon as possible to get the process started.

If you have a spouse who is covered for group life insurance under your group plan, he/she will also have the option to continue his/her terminated group life insurance amount under either of the two options mentioned above. The same terms and conditions outlined above will apply. Please note, your dependent children's life insurance cannot be converted*.

*Unless stipulated otherwise in any applicable legislation.

Health and dental insurance

You have the option to purchase Sun Life's My HEALTH CHOICE if you need this type of insurance once your group benefits terminate. You can purchase health and dental insurance, or health insurance only, without providing proof of good health, subject to certain conditions. You must apply within 60 days from the date your health and/or dental benefits terminates.

Critical illness insurance

Your coverage is portable. You and/or your spouse are eligible to maintain your current level of coverage (up to \$100,000) by applying within 31 days of the termination date.

Costs

Premium rates for these continuation and conversion insurance products are based on your age, the plan you select and a number of other factors.
